

Fortune Sourcing

Operated by Fortune Imports & Exports. Est. 1971. Third generation.

Who we are

Fortune Sourcing is the on-ground China sourcing and export logistics arm of Fortune Imports & Exports. We run procurement, factory audits, AQL pre-shipment inspections, container consolidation, freight and full export documentation for serious importers worldwide.

On-ground in China

Guangzhou · Foshan · Shenzhen · Yiwu · Ningbo. Permanent presence — never an outsourced inspector on call.

Categories

Furniture · Hotel FF&E; · Building Materials · Tiles & Sanitaryware · Lighting · Luggage & Travel Goods · Mobile Phone Accessories & Parts · Machinery · Mining Machinery · BOPET Films · Technical Fabrics · Textiles · Stationery · Small Commodities (Yiwu) · Electronics · Hardware · OEM/ODM Private Label.

20+	Countries shipped to
5,000+	Verified factories worked with
5,000+	Containers shipped
1971	Year established

Service lines

- Sourcing & supplier shortlisting (3-5 vetted factories per RFQ)
- Factory audits (capability, capacity, compliance)
- Sampling & golden-sample sign-off
- DUPRO mid-production inspections with escalation
- Pre-shipment AQL ANSI Z1.4 inspection — container is not sealed without sign-off
- Container consolidation across multiple factories — mark-separated loading
- In-house freight desk (FCL, LCL, air) with direct carrier rates
- Export documentation desk (CO, FORM-E, FORM-A, BL, packing list, COA)
- Hosted China business trips (visa, interpreter, factory schedule, Canton Fair)
